

# Lear 60 Owners

1100 Lee Wagener Blvd. Suite 212  
Ft. Lauderdale, FL 33315

Call (866) 544-8595  
(954) 359-8844

Majestic Jet is an FAA Air Carrier headquartered in Ft. Lauderdale, FL. We are actively seeking Lear 60's for our rapidly expanding fleet. Majestic Jet understands that the "old" charter business models no longer generate the necessary revenue to sustain aircraft ownership. We utilize U.S. Government and air ambulance contracts that are impervious to economic downturns. The status quo has changed when it comes to purchasing, selling, leasing, owning and operating private aircraft

We have an immediate need for additional aircraft to fulfill our contracts. If your aircraft is underutilized, parked or waiting to be sold, please contact us today.

**Majestic Jet is an ARG/US Gold and Wyvern PASS operator averaging over 50 hours a month per aircraft.**

## The Majestic Jet offer:

- Our sales company Mag Jets, LLC will market your aircraft for sale or for lease while it is generating revenue for you on our 135 certificate.
- Majestic Jet will cover all of the following expenses:
  - Hangar, Insurance, Pilot training and Compensation, Maintenance Management

The worst fate for your aircraft is to keep it from flying and allow it to devalue further. Call today and learn how Majestic Jet can make your machine viable in this treacherous economic environment.

**Matt Franzak**  
President / CEO

**Brand new private hangar in Ft. Lauderdale, additional bases in the U.S. and Panama**
